

1992 Bugari Navetta 27

Omschrijving

This Bugari Navetta 27m was built in 1992 and completely refitted to an incredible standard in 2018/19. The ideal passage maker and high quality family yacht. Due to it's homologation of only 24 metres the yacht is also very well suited for the charter market. This is your chance to purchase a like a brand new yacht for a fraction of her building and refitting costs. Viewing is highly recommended!!
